

SPONSORSHIPS

My Comfort Zone

With a donation of \$300 - \$500 you can allow a longterm patient confined to their room to create a more comfortable soothing space for themselves. These patients are usually those having a Bone Marrow Transplant (BMT) procedure or a youngster waiting for a Heart Transplant or other Organ Transplant. We will let you know who it's for and how much it helped. There is no way to describe what a difference it makes for the children when they feel more 'at home'.

The Goodie Cart

For a minimum donation of \$5,000 you can be the official Sponsor of the World Famous Goodie Cart. We will proudly feature the name of you or your business on the cart all year long. Or celebrate a Special Occasion with a donation and you will be the official co-sponsor of the Cart that week. Give us a shoutout and let us know.

Ronald McDonald House Meal (RMH)

The Pinwheel Project is proud to have launched a monthly meal program several years ago at the New York City Ronald McDonald House. The program was such a success that they opted to open the opportunity to give to the public and business community. As friends of RMH and welcome a chance for you to sponsor a terrific event at the house.

Community Service Project

Design your own way of bringing joy to the kids. You can sponsor a new toy collection, do a bake sale and turn your profits into gift cards (check out our list), snacks for The Goodie Cart, or simply tell us how you would like the money used. This is a great opportunity for those who are looking for a special Mitzvah Project, Confirmation Act of Kindness or just a terrific way to 'pay it forward'.

Create and Host a Fundraiser

We invite you to sponsor a fundraiser with your friends and family to support the work of The Pinwheel Project. Rest assured that we will be involved in helping every step of the way. Don't be afraid to get creative and think way outside of the box. Contact us for more details about paying it forward to help the children and families.
