

PINWHEEL PARTNERS

The Pinwheel Project has designed programming to accommodate immediate needs of an ailing child or their family. These requests vary and may be anything from buying party supplies for a patient's first birthday to providing dark red sheets in order to calm a young patient fears from their excessive bleeding. The list goes on and can include funding a massage for a mother who is stressed out beyond words or as meaningful as a child's last request. That is why we established a 'Pinwheel Partners' program. Simply let us know you'd like to help adding your name and email address/phone number (for those who prefer a text) to our group of people willing to either purchase or fund a something special for a child or family member. We will then send out an email or text explaining the request, approximate cost and logistics of how it can be fulfilled.

If you would like to be part of this wonderful group of supporters, please email us at info@thepinwheelproject.org or call us at 914-219-5569. Join us so you can be a hero to a hospitalized child - we can't do it without you!

VOLUNTEER

Our volunteer opportunities vary throughout the year. If you are interested in being with the children on the hospital floors please be advised that you must be at least 18 years old and willing to commit for a minimum of 6 months. You will need to be cleared by the Hospital's Volunteer Department which can take a bit of time.

If you are interested in volunteering with our staff we would love to see what would interest you and what talents you may have. We will be periodically posting opportunities to help keep the organization up and running. Feel free to contact us for more facts at: info@thepinwheelproject.org or call us at 914-219-5569. On behalf of the children, thank you so much for your interest.
